

GET A FRESH START ON YOUR NEXT CATERED EVENT...

While many other caterers can promise you a spread fit for a king, few can also promise you the chance to make a difference in your community.

Just like our competitors, at Fresh Start Catering we prepare the freshest dishes for breakfast, lunch or dinner and deliver them directly to your event. From party platters and hors d'oeuvres, to sandwiches and salads, to full-course entrees, our mouth-watering menus feature irresistible culinary choices. We cater to your most demanding requirements and strive to make your gathering enjoyable.

But what separates us from the rest is the main ingredient found in all our food: a dynamic social mission. Fresh Start Catering blends a concern for

...AND GET THE CHANCE TO CHANGE YOUR COMMUNITY!

the community with real opportunity for our employees, all of whom are graduates of DC Central Kitchen's Culinary Training Program. As a part of the Fresh Start Team, our employees learn advanced skills and techniques to further prepare them for permanent employment in the industry. So, while you provide them with a chance to succeed, they provide you with high quality, full-service catering.

Our mission is to strengthen bodies, empower minds, and build communities. Your business gives us the chance to fulfill this mission by directing the proceeds from Fresh Start to the DC Central Kitchen to support its fight against hunger.

Why not make your next catered event both a good deed and good decision? When you hire Fresh Start Catering, you're serving more than just great food.
